## Why Take Apple Valley's 25/10 Full Driver Program?

**Superior Defensive Driving Skills Training:**  
Learn and develop strong, proper driving habits from a professionally trained instructor -- a wise investment in the future. Proper training will provide the knowledge and skills for driving defensively and for avoiding the dangers that our roads and highways can bring.

### **Insurance Premium Reductions:**

A certificate from Apple Valley Driving Schools will provide a significant discount on your insurance. First year savings may be greater than the cost of this course!

### **Early Licensing:**

Take your road test months earlier, in our car, with confidence and the support of your instructor.

### **Defensive Driving Certificate:**

A certificate from Apple Valley Driving covers the requirement for exiting the NS Graduated Driver Licensing Program.

### **Extra Special Service:**

We are friendly, patient and experienced people who love what we are doing! We go the extra mile for you!

### **Competitive Pricing:**

Our pay-as-you-go-plan is very popular because it helps families to fit this important program into their budget. We also accept credit cards and debit and our coupons from other leading companies will save you money!

## Comprehensive 25/10 Full Driver Program

### **25 hour Classroom Course:**

... delivered by qualified, experienced and dynamic Instructors, and the latest multi-media technology, as well as guest speakers, including RCMP Traffic Services and EHS Paramedics, plus specialists from the Insurance and Automotive industries.

Sessions take place in a theatre-style, state-of-the-art classroom at Acadia University, downtown Wolfville.

Class sessions can be interchanged to fit into your busy life! See our website for dates.

Students may begin the classroom part of the program at 15 years of age and / or without having a Learner's Licence.

### **10 Hours of Private Driving Lessons:**

... plus, use of our car for the NS Road Test.

Learn how to drive in all types of environments, including multi-lane highways and complex intersections, with focus on safe lane-changing, emergency maneuvers (including shoulder recovery, accident avoidance and hazard braking), backing skills, parallel parking, and passing issues.

We escort each student to the provincial road test, and ensure that they are given a full pre-road-test review.

Pick-up and drop-off service is available for all in-car lessons.
